Statement on Failure of Missouri Secretary of State to Report Precinct-Level Primary Election Data

“The Missouri Secretary of State has an extraordinarily important responsibility - to ensure and protect the right to vote. Jay Ashcroft has again shown today that he is not interested in that responsibility,” said Conner Kerrigan, a spokesman for the Faleti for Missouri campaign. “While secretaries of state across the nation cooperate with their state-level parties and the presidential campaigns - both Democrat and Republican - to report precinct-level data on primary election results, Missouri stands out because our Secretary is unwilling to do his job. Mr. Ashcroft continues to demonstrate that he is not fit for office.”
